 53-5177 URSA STRAPS LIVE POUCH Double large, belt loop, 175 x 145mm, black

The URSA Live Pouches accommodate most sizes of wireless transmitter and receiver and feature an integrated Quick Release Tab secured with hook and loop tape allowing for quick gear and frequency changes whilst ensuring your device stays secure. The back of the pouch has a Quick Release Loop to secure to a belt or strap using hook and loop. Available in three sizes, the pouch is manufactured from 1mm thick bonded fabric maintaining a low profile with good stretching facilities and a surface that hook gripper easily secures to.

Handmade in the UK.

Medium	85 x 85mm
Large	85 x 145mm
Double Large	175 x 145mm

URSA Pouch Care: Connect gripper on pouch when washing.
